Jr. Graphic/Web Designer Part time

Job Description: Heise Media Group has been in business since 1999 and has built a reputation for dynamic marketing/advertising materials.

You are the ideal candidate IF:

- You have a great attitude, strong work ethic and can contribute positively to an established company.
- Experience with the most current versions of graphics software, including Adobe Photoshop and Adobe Dreamweaver. Adobe Illustrator a plus.
- Experience with the most current versions of CMS software, including WordPress. Other CMS software programs considered.
- Experience designing for mobile and smart devices and working with HTML and PHP a plus.
- The ability to convert written, graphic, audio and video components to compatible web formats and to design and edit webpage content
- You have excellent verbal communication skills, as well as an adaptive nature.
- You count web design and Mac troubleshooting capabilities among your subset of skills.
- You must provide up-to-date resume, salary history, and at least 3 samples (attached PDF/links) reflecting your best work.
- Salary: dependent on experience
